

Application of the Department of Academic Excellence has been  
developed to research the project (this is a piece of research  
and your research achievement. We are specifically interested in

page

and

watch

Research files \_\_\_\_\_ have allowed you to gain familiarity with the project (see  
research)

2. Attach a 5-7-page research \_\_\_\_\_ in which you discuss each design specifically

What is the research question to address?

How has the established research in this area addressed this question?  
What are the strengths and weaknesses of the existing research?

How do you think the research question is being addressed?  
What are the strengths and weaknesses of the existing research?

What are the key findings of the research? How do you think the evidence supports  
the research question?

What bibliography (sources) have you used for your research?
